

## Side-session INDUSTRY

# Towards a competitive EU maritime industrial strategy

### About:

"Towards a competitive EU Maritime Industrial Strategy" is organised by European Shipowners | ECSA, SEA Europe and EuDA. Following the recent publication of the Clean Industrial Deal, the event will bring together shipping, shipyards and marine equipment manufacturers, as well as fuel suppliers, to discuss how to make the maritime industrial cluster competitive for the energy transition of shipping, looking at investments in clean tech, clean fuels and infrastructure.

### Speakers:

- **Karin Orsel**, President, European Shipowners | ECSA
- **Maive Rute**, Deputy Director-General, DG GROW, European Commission
- **Fotini Ioannidou**, Director, DG MOVE, European Commission
- **Christophe Tytgat**, Secretary General, Sea Europe
- **Paris Sansoglou**, Secretary General, EuDA
- **Liana Gouta**, Director General, FuelsEurope
